HONGKONG, DECEMBER 16TR, 1878.

WE note by the London and China Express that Mr. Monnison, the late engineer of the guard. The Chinese make no secret as to where Shanghai and Woosung railway, has written they have obtained it. a paper on "China as a field for future Railway-enterprise." Mr. Monnison is of opinion Coote on board, returned to Singapore from Pe. of Messre. Heigh, Balfour and Co., of Manchesthat the party of whom . Lr Hung-onane is. the leader have taken up a mistaken position Nassau left for home on the 3rd instant. There under the style of W. and C Dunlop. in the matter. Their view is, as we have were in harbour Her Majesty's ships Frolio, more than once stated, to develop the re- Lapuring, and Modeste. sources of China and make railways for themselves, with Chinese material, Chinese money. and of course, with Chinese labour. - Mr. Moznmon points out that though the schomes of the enterprising Grand Score dered in the decorations at the ball. The rings tary for developing the mineral resources of the Empire are good so far as they pave the whilst on the back is an inscription. way for somothing better, they are bad so far as they form part of a plan for railways subservient to mines, inasmuch as the construct Mrs. Hennessy presided at one of the stalls, and Benier, de Montmorand was in turn Consultion of the latter will be thus indefinitely postponed. The force of this argument will at once attendance, and a considerable sum was realised. | was subsequently appointed to his present post be apparent. The railway has everywhere The band of the 74th Highlanden played a at Peking. boon the pioneer. Along the track of the iron road populous communities form, great manu- to six p.m. facturing industries spring into existence, and mines are actively worked. The reason is patent. The railway bridges distance and Merchante Steam Navigation Company, con- in their possession. This measure has been brings markets and ports into close connec sequent, it may be supposed, upon the action re- morted so as to prevent relations being carried tion. The marvellous growth and rapid set dook worked by the company in Hongkew. The also ordered all Russian subjects to accept Chinese tlement of the United States is due as much latest remour is, and we give it with all reserva- intionality or gleave the country within two to railway extension, perhaps, as to the wonderful capabilities of the country. In India of working the business on behalf, of the Comalso the railway has not only powerfully pro- pany. Should this be true, it will give colour to avaided the distinguished sevice reward held by moted the development of the resources of the country, but it has also strongthened the hands tion hitherto." of the Government, by giving magnificent French have a scheme for consecting Algeria blished whereby the products which now find | tree, and those named above."

increasing in price through the heavy cost at 10.10 on Saturday night tain districts the capale are good, but in most places the inland pavigations are very bad. For instance, one of the most frequented by the months ending 31 to October, and 30th routes is from Hankow to Canton. Here November, 1878, are published in the Gazette. there is water all the way, with the exception of an easy land journey of thirty miles, yet the journey, which could easily besecomplished in twenty-four hours by rail, new occupies air weeks." The extension of commerce and the development of the mineral wealth of the country alike require the manguration of railways in such an important and populous empire as China. Nor are they required for these purposes alone. Robellion and local outbreaks are chronic in China, and sometimes tax the powers of the Government to the utmost to suppress, owing to the difficulties in the way of transport, months often elapsing before the Imperial forces in any AMOY ........ Mossrs. Wilson, Nicholls & Co. | number can be brought in sight of the insurgents. At the present moment the rebel leader In Yung Chor, with his troops in dame Angot"at the Theater Coyal on Saturday many weeks to come The Peling Autho-

the mountainous province of Kwang-si, can fully produced but unfortunately the stoudance safely defy the Imperial Government, for was very limited. Miss Clara Stanley sustained CHEFOD and Messrs. Hall & Holtz and Kolly rities may command the Viceroy of the Two who took the parts of Amaranthe and Mille. Kwang to suppress the rebellion, and may, Lange, acted with much spirit and confidence. & Walsh, Shanglai. ... according to their wont, hold him answerable Mr. Vernon, who still looks far from well, and curious as the little of the for the movement, but it is not clear that the acted with difficulty, was assetistic as usual, and Vicercy has the power to quash the insurrect pag very well. On his appearance he was retion. Again, in the case of the dreadful famines Mr. Rollings was an excellent exponent of Posts asked that they might be appointed to the Victor in North China, the people penshed not so ponnet, the gerralous and demonstrative little much from want of grain, as from want barber. VOLUNTEER RIFLE MATCH

Mosar >. L. E. Trail, T. F. Syage, and T. G. Williamson de not but.

A match for a subscription challenge oup was of of on Saturday, the conditions being ten counds at five hundred yards, any rifle to be used The cup was won by Corporal Dunman who scored thirty one points, moluding four bull's eyes, out of appasible forty, Gunner Walkington was a close second with thirty points. Gunner W. K. Hughes, who sodred twenty-seven, made he same number of builts eyes as the winner. After the match was over Captain Francis presented the cup to Cornoral Dunmon and congratuinted the recipient on his creditable goore. Corporal Dunman briefly returned thanks and hoped the members of the corps would meet neny future contests. The following are the gores of those of the competitors who succeeded in making twenty points or upwards, with the lescription of rifle used :-

Corporal Danman (Martini-Henry) Opunor Walkington (Mariai-Henry) Corporal Donn (Murtini Henry) Gunner W. K. Hughes (Martini-Heury). 27 Gunner Duggan (Martin Hanry) Sorgeant Whitehead (Martini Honry)... Corporal McCallum (Smider) ..... Gunner Legge (Martini-Heary) Cunner Haseland (Snider)...

SAILING MATCH.

On Saturday morning a scratch sailing match was got up and sailed between two boats from the Vector Emanuel, one from the Mercuilo, one from the Naval Yard, and a shore boat the Daphne. The course was from the Coal Bledg at Kawloon. found Green Island and Stonecutter's Island. hence round the Mennee, to finish at the stern o'clock the hosts got into position in the following

Victor Emanuel (Cutter) Viotor Emanuel (Whole) 8

in the following order Victor Emanuel (Whaler). Victor Emanual (Outter) Naval Yard book went too dose under island and got beenlined, which allowed Morquito to get hito her position, but this vantage did not serve the Mosquito long through her going too soon on the port back. other boats went much too far to the leavant whilst the cutter went to leoward of Chang Hav

The Daphne, ofter passing Green Island hauled up to windward and made well up for the mainand, and then taked up the harbour as far as Chocola, which was lying in the middle of the harbour. She then went about again and ran close up into Chin Wan Bay from whence she had a fair run home. The Naval Yard boat mide her tacks too short and was some time before she could get inside of Stopmatter's Island but held second place, while all the others were out of the race. The boats finished as follows-

Victor Emanual (Whaler) .. pot timed. Mosquito not timed.

Victor Emanul (Cuttor) not timed.

The distance of the course as the eleven miles, and the shortest distance that could be made on Saturday, with the wind as it was was fourteen miles. There is to be another race. coarse, for man of war and merchant shing throe years. Yet we notice that the pay- boats only. Entries can be made at Messre. McEwen Frickel's, Queen's road
